# Instructions

1. Cut all the layers of cardstock and Designer Series Paper as listed above.
2. Take the piece of Basic White Thick Cardstock for the front of the card, using the Stampin' Brayer colour one half of the cardstock with Lemon Lime Twist cardstock using a backwards and forwards motion. Repeat this step colouring the second half with Azure Afternoon Ink. Spritz this piece with some Lemon Lime Twist Stampin' Blend. Adhere this piece to the layer of Parakeet Party. Set aside.
3. Take the piece of Herringbone Ribbon and undo the threads to fray the ribbon. Take 4-5 individual threads and using a Tahitian Tide Stampin' Blend, colour these threads. Wrap the threads around to form a figure eight loop and staple to the centre of the previous piece. Adhere this whole layer to the notecard base.
4. Die cut the second smallest circle die from a scrap piece of Basic White using the Everyday Details Dies. Using a Blending Brush, lightly add some Pretty Peacock Ink to the edges of this circle. Spritz this circle with some Pretty Peacock ink from a Stampin' Write Marker. Take a needle and some Starry Sky Baker's Twine to stitch through the edge holes. Adhere this circle to the centre of the card where shown with Stampin' Dimensionals.
5. Die cut the scissors from the Crafting with You Dies. Die cut 2 x scissors with Smoky Slate Cardstock, 1 x scissors from Gold Foil and 1 x scissors with Pretty Peacock Glimmer Paper. Cut the top half of the scissors off from the specialty papers and adhere to the Smoky Slate scissors with Liquid Glue. Add glue to the centres of the scissors and adhere together. To the gold scissors, add 1 x Gold Pearl from the Festive Pearls, do not add a pearl to the other. Using strong adhesive, adhere these on the circle where shown, being sure to adhere the pair of gold scissors over the top of the pair of Pretty Peacock scissors covering over where the hole in the scissors would be showing.
6. Take the sentiment from the Crafting With You Stamp set and use Versamark, heat emboss in white on a scrap of Basic Black cardstock. Fussy cut this out and adhere where shown with Glue Dots.
7. Die cut out some small hearts using the Crafting With You dies in More Dazzle Specialty Paper. Adhere one of these small hearts where shown. Spritz the card front with Wink of Stella and embellish with two of the In Colour Pearls.
8. To decorate the inside of the card, stamp a Stampin' Cut N' Emboss Machine in some Blueberry Bushel Ink and a small heart in some Lemon Lime Twist Ink.
9. Take the Note Card Envelope and to decorate the front side, use a sentiment from the Crafting With You Stamp Set, stamp this in some

Blueberry Bushel Ink. Take a small flower from the Crafting With You stamp set and stamp this in some Lemon Lime Twist Ink, just above the sentiment. To finish decorating the envelope, I have used some Delightfully Eclectic Designer Series Paper and applied some Liquid adhesive to the back of my envelope. Adhere the envelope to the edge of the Designer Series Paper and cut around the curved edges.
