Scrap Piece of Basic Black for Sentiment			
Scrap Piece of In Colour Glimmer Specialty Paper for Die Cutting			

Instructions

1. Cut all the layers needed that are listed in the measurement guide.
2. Take one of the smaller layers of Basic White cardstock and choose which In Colour you will use. Ink up the 1 acrylic block using the ink pad. Using a Stampin' Spritzer, spritz the block until the ink runs. Use this to colour the right hand side of the Basic White piece leaving about 1cm (½") to the right hand side. Allow the block to sit for a moment to let the ink sink in. Lift and use a Water Painter to colour in any missed spots. Set aside to dry.
3. Use the same colour ink pad to stamp one of the floral images from the Thoughtful Wishes stamp on the watercoloured panel. Add some 'splatter' images stamping off one layer of ink first using the same ink colour as used previously. Add these to the coloured panel to add some texture. Add some splatters of ink using the coordinating Stampin' Write Marker. Adhere this to the coordinating layer of In Colour cardstock.
4. Take a length of your chosen colour of In Colour Bordered Ribbon at least 10cm (or 4") and using your finger or Take Your Pick tool fray the threads in the ribbon to reveal the individual threads. Holding all the individual threads together, staple these to the card layer about a third of the way up the card from the bottom in the middle of the card. Set aside for now.
5. Die cut out the large leaf/foilage piece from the Thoughtful Wishes Dies using a coordinating coloured piece from the In Colour Glimmer Specialty Paper. Use a staple (or glue dot) to hold this in place where shown. Mess up the individual ribbon threads around this and give the threads a 'haircut' if needed to cut them at varying lengths. You can now adhere this whole layer to the card base. Set aside.
6. Stamp the sentiment in Versamark on a scrap of Basic Black and heat emboss in white. Trim the sentiment and flag the ends. Trim a small length of the Gold Textured Metallic Specialty Paper and cut slightly longer than the sentiment. Flag each end and adhere to the card where shown with Stampin' Dimensionals.
7. Embellish the card with some Shimmer Gems in the coordinating colour.
8. Add some Wink of Stella to the card.
9. To decorate the inside of the card, add some stamping to a Basic White panel with one of the stamps from the Thoughtful Wishes bundle in the coordinating colour in the bottom right corner. Add a few stamped off images using the splatter image stamp in the same colour. Finish off the inside with some light splattering using an In Colour Stampin' Write Marker and a sentiment stamped in StazOn Ink. Adhere to the layer of In Colour cardstock. Adhere to the inside of the card.
