Instructions

1. Take the two pieces listed in the measurement guide required for the card base. Make all the required scores as listed. For the 12" piece fold it with a valley, mountain and then valley fold so that it sits in an accordion style. For the 11" piece fold it mountain, valley and mountain. Reinforce all the score lines with a bone folder. To the 1" scored panel add adhesive to the inside of the flap. To adhere both of these panels together, take the 11" piece and line up the back piece of the accordion (largest piece) inside this 1" fold and adhere. This should all now fold together in an accordion style card.
2. Cut all of the layers of cardstock and Designer Series Paper. Adhere each piece of Designer Series Paper to the coordinating layer of cardstock. Fold out the accordion card and add each of these panels with adhesive to all the matching panels on the card (including the back panel) - **do not adhere the front panel yet.**
3. Take a length of the Peach Pie $\frac{3}{8}$ " Bordered Ribbon. I cut roughly 24" and then place it around the middle of the card with even lengths on each side. Use Tear' N' Tape to adhere this to the front panel of the card and then adhere the front panel of cardstock over the top to hold it in place. Tie the bow on the card and trim the lengths of ribbon until happy.
4. Add some soft blending with some Summer Splash Ink to the layer of Basic White Thick cardstock. Adhere this layer to the second last panel on the card. This gives space for writing!
5. To prep the decorations for the card I have done the following:
 - Stamp all the greetings in StazOn ink on Basic White Thick Cardstock. Fussy cut or trim all of these out.
 - Die cut out a range of the frames and labels from the Unbounded Love Dies. I mixed it up and cut some from the In Colour Glimmer, Basic White Thick Cardstock and the In Colour Cardstock. For the front frame, I cut it out twice, once in Petunia Pop Glimmer and once in Basic White. I have trimmed the Basic White to leave only the inside frame and added some soft blending In Pretty in Pink Ink. I added a little bit of spritzing with a Berry Burst Stampin' Write Marker to some of the frames and some light ink blending to others. Feel free to mix it up.
 - Die cut out some of the flowers from the Flowers in Beauty Dies in Berry Burst Cardstock and then die cut out some foliage in Summer Splash and Shy Shamrock Cardstock from the Unbounded Love Dies. I have also die cut out a large foliage piece in Shy Shamrock Glimmer from the Flowers in Beauty Dies for the front of the card. I chose to add a little bit of ink blending to some of these die cuts for extra depth.

6. Add the foliage pieces to the front of the card and adhere the frame with Stampin' Dimensionals over the top of the foliage.. Adhere the sentiment on top with Stampin' Dimensionals. Add some of the In Colour Resin Dots to the centres of the Berry Burst flowers and adhere some of these to the card front. Spritz the front of the card with Wink of Stella.
7. Add the frames throughout the card leaving some blank panels in between each. I have chosen to mix and match and add a couple of frames and labels to each of the panels.
8. Fussy cut out some of the flowers from the Unbounded Beauty Designer Series Paper and use these to decorate some of the panels.
9. Add some of the die cut flowers in Berry Burst as extra embellishment to the panels, embellish the centres with a sequin.
10. Cut out some strips of the In Colour Glimmer Paper and adhere where shown and then adhere each of the sentiments to the card where shown.
11. Stamp one of the flowers from the Flowers in Beauty Stamp Set in Berry Burst and Staz On with some Peach Pie for the flower centre. Die cut this out and embellish the last panel with this flower.
12. Add a die cut flourish from the Flowers in Beauty Dies cut in Summer Splash Glimmer Paper to the writing panel. Add some Summer Splash spritzing with a Stampin' Write Marker to the Basic White.
13. Add some Wink of Stella Spritzing to each panel to finish off decorating this accordion card.
