Instructions

1. Score and cut the card base using the template or video below as a guide. This takes a full A4 (or 8.5" x 11") sheet of cardstock.

2. Cut the cardstock and designer series paper layers diagonally. Take note of direction and whether you need to cut from top left to bottom right or top right to bottom left. Layer two of these layers on the cardstock triangles. The others will not be layers. Layer a cardstock matted triangle on the front front of the front of the inner flap. Use the remaining two pieces on the remaining inside triangle layers.
3. Add some Pool Party ink lightly blended on the bottom left of the Basic White cardstock piece. Spritz a little bit of Pretty Peacock Stampin' Write Marker. Add the strip of Designer Series Paper on the left hand side of this piece and then the tiny strip of Gold Foil. Stamp a christmas sentiment on the bottom left corner in Early Espresso Ink. Adhere this layer on the inside of the card.
4. Die cut two circles from Basic Beige Cardstock using the Spotlight on nature dies. Adhere these two together on the reverse side of both.
5. Add two lengths of the Pool Party Pompom Ribbon (no wider than the card) as shown and adhere with a staple to the circle. Adhere the circle to the card with Stampin' Dimensionals.

6. Finish the card with the pieces including reindeer, branch and pinecone from the Mix & Match Ephemera. Adhere the reindeer with Stampin' Dimensionals.
7. Add the 'Merry' sentiment from the Joyful Sayings Mix & Match pack using some fine glue to adhere.
8. Stamp the 'christmas' sentiment from a christmas sentiment stamp in Early Espresso on some Basic Beige cardstock. Trim out and adhere to the card front with a small strip of Stampin' Dimensionals.
