Instructions

1. Cut and score the card base and all the layers.
2. Take the layer of Basic White Thick cardstock for the front of the card and using Blending Brushes create an ombre sky by starting on the top third with Night of Navy, moving to the middle third with Blueberry Bushel and finishing the bottom third with Boho Blue. Leave to dry and then heat emboss some stars from the stamp set in white. Spritz the sky with some watered down Basic White ink refill with a Water Painter and finally add some spritzed Wink of Stella. Leave to dry.
3. Meanwhile stamp the flying reindeer image with a stamped harness in Versamark on a scrap of Basic White and heat emboss in gold. Colour this image using Water Painters and a mixture of Pecan Pie and Crumb Cake. Die cut this image out.
4. Take the ombre background piece and using a circle shape from the Stylish Shapes dies; cut out a circle from the background towards the middle left hand side. Keep the circle and mount this ombre background onto the layer of Night of Navy. Adhere the circle back into the negative space with Stampin' Dimensionals. Adhere this layer to the card base with Stampin' Dimensionals.
5. Tie a double bow with the Night of Navy Linen Thread and adhere with a glue dot where shown. Adhere the reindeer over the top with Stampin' Dimensionals.
6. Add some White Loose Snowflakes to the sky.
7. Stamp the sentiment onto a scrap piece of basic black in Versamark and heat emboss in white. Trim this sentiment down and using a Bone Folder curl the sentiment in the middle to give it some dimension. Adhere where shown with dimensionals.
8. Embellish the card with some silver Drusy Adhesive Backed Dots.
9. To decorate the inside of the card, take the layer of Basic White and stamp another flying reindeer in Early Espresso ink. Colour this image using your choice of Stampin' Blends. Add some light blending to the right hand corner with a mixture of Blueberry Bushel and Boho Blue ink. Spritz some Blueberry Bushel Stampin' Write Marker and add some stamped stars in Night of Navy. Stamp the sentiment in the middle with some Memento Black ink. Adhere to a layer of Night of Navy and add to the inside of the card.
