Instructions

1. Cut and score the card base and all the layers.
2. Adhere all the designer series paper layers to the corresponding Lemon Lime Twist pieces. Adhere these to the three sections of the base card.
3. Cut and score the mechanism piece, fold in half and add adhesive to one end panel. Place the adhesive side facing in the middle of the card next to the centre score line. Add adhesive to the top and fold the card shut.

4. Take the small layer of Basic White for the front panel and using a Stampin' Brayer add Gorgeous Grape ink to the bottom half and some Berry Burst to the top. Allow to dry before stamping some stars from the Potions & Spells stamp in Versamark and heat emboss in white. Spritz this layer with Wink of Stella. Adhere to the layer of Pumpkin Pie and distress the top right corner rolling the corner over. Add Stampin' Dimensionals only to the left hand side of this piece before adhering to the middle of the card front.
5. Stamp the cauldron, bird and cat on some Basic White Thick cardstock (mask off the front handle on the cauldron before stamping). Colour with the mixture of Stampin' Blends in the supply list and die cut.
6. Die cut these; potion bubbles in Fresh Freesia, broom in Peach Pie Glimmer, broomstick in Crumb Cake, potion bottles in Basic Black, potions in Summer Splash Glimmer, potion 'slime' in Pretty in Pink Glimmer and cauldron handles in dark Metallic Textured Cardstock.
7. Use a small Blending Brush and add some Berry Burst Ink to the Fresh Freesia bubbles.

8. Add the cauldron handles to the edges of the cauldron. Add some Tear N' Tape the top of the cauldron and add the potion bubbles (leaving three to place on the actual panel). Add the pink slime to the top of the cauldron. Adhere the cauldron where shown with Stampin' Dimensionals.
9. Adhere the bird to the top of the cauldron with a Stampin' Dimensionals. Add the broom with Glue Dots and liquid adhesive. Adhere the tall potion bottle with glue and the smaller potion bottle with a Stampin' Dimensional. Add leftover potion bubbles to the front panel.
10. Stamp both of the sentiments in Versamark on Basic Black and heat emboss in white. Trim both sentiments as shown. Adhere the larger sentiment where shown on the cauldron.
11. Embellish the cauldron with some of the Iridescent Adhesive Backed Discs. Add some Petunia Pops Resin Dots. Spritz card with Wink of Stella.
12. Take the larger piece of Basic White. Add some blending with some Berry Burst Ink on the left hand side. Spritz corner with some Pumpkin Pie Stampin' Write Marker. Adhere the cat. Add the sentiment and embellish with some green adhesive backed discs. Adhere this panel to a layer of Lemon Lime Twist and adhere this panel on top of the centre mechanism - **adding glue only to the top of the mechanism.**
