Instructions

1. Cut and score the card base according to the template below. Please note that one standard sheet of card will give you TWO card bases. Either save for another card or use the remaining piece as scrap.

2. Take the piece of Wood Textured Specialty Paper and place it on the front scored section, make it even from left to right, leaving a little more space from the bottom. Hold it in place and flip over marking a line with a pencil. Cut along line in the paper trimmer to create a perfect angle to go on the front. Spritz with a Bubble Bath Stampin' Write Marker before adhering.
3. Repeat this technique using the Regal Distressed Paper to cover both the **front & back** of the middle section.
4. Finally take the piece of Blackberry Bliss, using the same technique to cut the angle and then repeat with the Basic White piece however angle it and use the Blackberry Bliss piece of card (not the card base) as a guide. Add a little bit of Bubble Bath Ink using a Blending Brush to the bottom right corner of the white. Spritz with some Berry Burst Stampin' Write Marker & stamp the sentiment in Memento Black. Adhere this to the Blackberry Bliss and then adhere to the final section of the card.
5. Die cut out the label from the Regal Flora Dies in Bubble Bath. Ink the edges with Berry Burst and spritz with a Berry Burst Marker. Set aside.

- Stamp three of the triple flower images in Berry Burst, three of the double leaf images in Pretty Peacock on some Basic White Cardstock and finally five of the small leaf images on Berry Burst in Versamark and heat emboss in gold. Die cut all of these using the matching dies.
- Stamp the sentiment in Versamark on some Berry burst and heat emboss in white. Trim this down.
- Use the sentiment as a guide to place all of the floral/leaf images around. Adhere them in place on top of the label. Do not adhere the sentiment.
- Cut the Blackberry Bliss ribbon in thirds (I have used about a 33cm length or 13"). Cross this length over and pinch in the middle. Adhere to the centre of the label piece. Take some gold thread and repeat this step adhering over the top of the Blackberry Bliss Ribbon. Adhere the sentiment over the top of these two ribbons with Stampin' Dimensionals.
- Adhere the label to the closed card front adding Stampin' Dimensionals only to one half that will be attached to the card (some will hang off).
- Spritz the card front with Wink of Stella, add some Regal Foiled Gems and two Heart Sequins.
- Embellish the inside of the card with some more stamped and die cut elements and add some Heart Sequins.
