Instructions

1. Cut and score the card base according to the measurement guide above and template below. Reinforce all the score lines with a bone folder.

2. Take all the layers and adhere the designer series paper to each corresponding layer of cardstock. Do not adhere the white to the Early Espresso yet.
3. Adhere the largest of the matted layers to the smaller piece of the card base and then take the scored card base piece and align this in the centre of the smaller card base that has had the matted Designer Series Paper added to create the double gatefold design.
4. Add the matted Designer Paper layers to the matching panels of the card.
5. Take the Basic White piece of cardstock and add some soft blending with some Lost Lagoon in the bottom right corner. Add some spritzing with a Pretty Peacock Stampin' Write Marker. Now add some die cut foliage in both Lemon Lime Twist and Pretty Peacock (I have added some ink to my foliage for extra depth using Granny Apple Green and Pretty Peacock Ink to do this). Stamp and die cut an otter using Memento Ink. Colour in a mixture of; Crumb Cake, Pecan Pie and Medium Deep Stampin' Blends. Adhere otter to the card where shown. Finish the decoration by adding some of the die cut fish in some Summer Splash Glimmer Paper, adhere fish to the white panel. Add to the matt layer of Pretty Peacock and adhere to the inside of the gatefold.
6. Die cut a circle from the Stylish Shapes dies (second largest circle die) from Basic White. Using a Blending Brush, ink one half of the circle in Pretty Peacock and one half in Lost Lagoon. Spritz with some Pretty Peacock Stampin' Write Marker.

7. Die cut out a selection of river rocks in Smoky Slate and Pebbled Path, a log in Pecan Pie, some fish in Summer Splash Glimmer and a selection of foliage in Lemon Lime Twist and Pretty Peacock. Using the inks in the supply list - add some ink to the edges with small Blending Brushes except the glimmer fish.
8. Stamp the pair of otters and the small baby otter in Memento Black and die cut with corresponding dies. Colour using the same Stampin' Blends mentioned previously.
9. Adhere the otters and die cut pieces to the Stylish Shapes circle as shown using a combination of Liquid Glue and Stampin' Dimensionals.
10. Adhere the circle to the front of the gatefold card when closed **only adhering Stampin' Dimensionals to the left hand side** to ensure the card is not adhered shut.
11. Stamp the sentiment in Versmark on Pretty Peacock and heat emboss in white. Trim down into a strip.
12. Tie a bow from the Lost Lagoon Cord and adhere where shown and add the sentiment over the top with Stampin Dimensionals.
13. Embellish with some of the Irregular Pearls to the right of the sentiment.
14. Spritz the front of the card with some Lost Lagoon Stampin' Write Marker and then spritz with some Wink of Stella.
