Instructions

1. Cut and score the card base pieces and join them together in the middle.
2. Emboss all the Flirty Flamingo layers with the So Swirly Embossing Folder and use a Blending Brush and Flirty Flamingo Ink to add some extra definition. Adhere all of these to the smaller panels on the card base.
3. Add the layer of Designer Series Paper to the middle panel of the card.
4. Cut six hearts (the third largest heart) from the Hearts of Elegance Dies and spritz each with some White Craft Ink diluted lightly with water using a Water Painter. Add some Wink of Stella spritzed over all of them.
5. Adhere the first two hearts to the left hand side panel of the card only adding adhesive to the left hand side of the heart. Add the next two hearts to the right hand side panel - lining them up underneath the left hand side hearts (see video for a tip on lining these up) and adding adhesive to the right hand side of the heart only.
6. Cut and score the two mechanism pieces from Flirty Flamingo. See the video for tips on how to create and adhere the mechanisms to both the left and right hand side of the inside middle panel. Adhere the remaining two hearts to the top of these mechanisms with Liquid Glue.
7. Stamp a variety of the butterflies from the bundle in Versamark and heat emboss in gold. Use a mixture of; Peach Pie, Bubble Bath, Melon Mambo, Summer Splash and Coastal Cabana using small Blending Brushes to colour all of the butterflies before die cutting these out. Also die cut out some detailed butterflies using the dies in some Peach Pie and Summer Splash Glimmer Paper. Die cut out a foliage piece from the Golden Greenery Dies with some of the white Vellum from the Graceful Greenery Vellum paper.
8. Arrange and adhere all the butterflies where shown on top of the hearts using a mixture of Stampin' Dimensionals and Liquid Glue. Stamp the sentiments from the stamp set in Versamark on Basic White and heat emboss in gold. Adhere these to the card where shown.
9. Embellish the card by adding a double bow tied from the Gold Twisted Thread and also add some Brushed Brass Butterflies and some of the Shiny Sequins.
10. Take the panel of Basic White and add some stamped butterflies in the bottom right corner with Memento Black Ink. Use a Blending Brush to add some Peach Pie and Melon Mambo Ink to the corner and then spritz some Summer Splash Ink using a Stampin' Write Marker to the corner. Adhere this panel to the back side of the card.
