# Instructions

1. Cut and score the card base and additional layers.
2. Using the Among The Swallows background stamp, ink with Versamark and heat emboss a Basic White Layer in Gold.
3. Using your choice of ombre ink colours, divide the piece into thirds and colour each third with a different tone of ink using Blending Brushes.
4. Add this piece to a coordinating layer of cardstock and then adhere to a coordinating coloured card base.
5. Emboss the small layer of coordinating cardstock with the Cute Crochet Embossing Folder and adhere to the card front.
6. Die cut out the second smallest circle with the lined pattern from the Spotlight on Nature dies in black. Heat emboss the 'breathe' sentiment from the Love & Strength stamp set in white.
7. From the Thoughtful Expressions stamp set, stamp a bird, two single flowers and the bunch of flowers in Memento Black. Colour the bird with coordinating monochromatics tones of Stampin' Blends. Fussy cut all these images out.
8. Using the Painted Lavender dies cut out some detailed foliage pieces in a coordinating cardstock colour, Textured Gold Metallic Foil and some Mercury Vellum.
9. Using the sentiment circle as a guide, place a cluster of foliage pieces and one of the singular flowers to the right hand side and the large flower piece to the right. Adhere these to the card and then adhere the circle over the top with Stampin' Dimensionals.
10. Adhere the bird where shown with Stampin' Dimensionals.
11. Tie a double bow with the Twisted Gold Thread and adhere the remaining singular flower over the top with a Glue Dot.
12. Finish by spritzing the card with some Wink of Stella and embellishing with some Gold Textured Dots or Pearls.
13. Embellish the inside of the card by adding some soft blending with a coordinating ink of the right hand side. Add a stamped bunch of flowers from the Thoughtful Expressions stamp and then spritz with a coordinating colour in the Stampin' Blends Markers. Add a matching sentiment from the Love & Strength stamp set in Memento Black.
