Instructions

1. Cut and score the card and cut all the layers of cardstock and Designer Series Paper.
2. Add the two pieces of the design one paper onto the two front scored panels of the card. Add the two pieces of design two pieces of paper to the two middle scored sections of the card. Finally add the two pieces of the Regal Distressed patterns to the two outer scored panels on the inside of the card.
3. Take the two panels of Basic Beige cardstock and emboss with the Plaid Embossing Folder. Add some Crumb Cake ink with a Blending Brush to the edges. Adhere these to the scored Pretty peacock pop out panel piece. Add adhesive to the left hand and right hand side of this pop out panel and adhere to the two outer panels on the inside of the card as shown. This will create the 'fold' - ensure you only add adhesive to the edges!
4. Do all the stamping, colouring die die cutting prep + stamp the sentiments and heat emboss in white on black cardstock. See the picture..

I have coloured my images with a mixture of the Stampin' Blends in the supply list. Stamp the wooden birdhouse pieces cut from Early Espresso with the wooden texture stamp from the Country Birdhouse stamp. Cut a

mixture of foliage using the green Festive Glimmer Paper. I have used Gold Foil and Cherry Cobbler for the Spotlight on Nature circles. The birdhouse is cut from the Country Woods Designer Paper.

5. Adhere the pieces of the birdhouse together as shown and decorate. Place a scrap of Pool Party behind the hole in the birdhouse. Decorate with some heart sequins. Adhere to the inside of the card where shown.
6. Decorate the left hand panel with a stamped sentiment and some additional foliage and flowers prepared earlier.
7. Wrap the Pretty Peacock cardstock around the card to create a belly band. Take the smaller strip of Pretty Peacock and stamp repetitively with the textured stamp from the Country Birdhouse stamp in Pretty Peacock. Distress the top right corner and add to the top of the belly band.
8. Layer the red/gold circles together with dimensionals and adhere to the belly band. Decorate with the birds and foliage and add a faux bow using the Cherry Cobbler Ribbon. Add the small sentiment strip.
9. Colour some Drusy Embellishments with a Cherry Cobbler Stampin' Blend marker and add to the belly band to embellish. Finish with some Adhesive Backed Hearts Sequins. Spritz with some Wink of Stella.
10. Take the two layers of Basic White Cardstock for the backside of the card. Add some soft Pool Party Blending to the right hand corner of one and stamp a sentiment in Pretty Peacock where shown. I have fussy cut and added a bird from the Nests of Winter DSP (optional). Adhere these two panels to the back of the card as room to write a message.
