Time to Celebrate

Measurements

Paper	No of Pieces	Imperial Measurement
Basic White Cardstock for Butterfly Card Base	1	5" x 7 ¼" scored on the long side at 3 ⅝"
Coloured Cardstock For Die Cut Butterfly (I used Summer Splash)	1	scrap large enough for die
2024-2026 In Colour Glimmer Paper for Middle of Butterfly in Coordinating Colour	2	scrap large enough for die
zBasic Black Cardstock	1	scrap large enough for sentiment

Instructions

1. Cut a piece of Basic White Cardstock as mentioned in the measurement guide and score in half on the long side to 3 ⅝". Using the large butterfly die from the Beautiful Butterfly dies, line the top side of the die on the fold of the card and die cut out the butterfly shaped card.
2. Using some Blueberry Bushel ink stamp the butterfly wing stamp on all four 'wings' of the butterfly on the card front. Use the small dotted stamp in Summer Splash and stamp around the butterfly wings randomly.
3. Use a small Blending Brush and some Balmy Blue Ink and lightly ink the edges on the card front as well as the inside of the card.
4. Spritz the card front with some Blueberry Bushel ink from a Stampin' Write Marker.

5. Die cut one of the detailed large butterfly die cuts using Summer Splash Cardstock. Using a small Blending Brush add some Blueberry Bushel ink to the outside of the wings. Adhere this die cut piece to the middle of the butterfly card with Glue Dots or Liquid Adhesive.
6. Die cut out a 'body/middle' of the butterfly in a coordinating glimmer colour. I have used Summer Splash. Die cut this out twice as you will need to 'elongate' this piece. Adhere over the top of the butterfly trimming one to meet in the middle.
7. Stamp the sentiment in Versamark on some Basic Black cardstock and heat emboss in white. Trim this sentiment down as shown and adhere to the card with some Stampin' Dimensionals.
8. Embellish the card with some of the Itty Bitty Bokeh Sequin Mix.
